E-Portfolio: talhaislam.vercel.app

Motivated Computer Science & Engineering student at AIUB with strong academic excellence and proven leadership as Assistant General Secretary (Events) at AIUB Computer Club. Experienced in organizing large-scale events like Broadband Expo 2026 and Cyber Gaming Fest 2025, with active involvement in national volunteer programs. Skilled in software development with hands-on projects in Python, Java, and SQL with strong abilities in teamwork, communication, and event coordination.

EXPERIENCES

Volunteer Space Innovation Camp	Mar. 2026 - Present
Assistant General Secretary (Events) AIUB Computer Club	Aug. 2025 - Present
Campus Ambassador Goriber Gadget	Aug. 2024 - Present
Volunteer National STEAM Olympiad (NSTEAMO)	Jun. 2023 - Jul. 2024
General Member AIUB Computer Club	Mar. 2023 - Aug. 2025

CERTIFICATIONS

- **Completed**, Code to Cloud: Practical DevOps with AWS
- **Volunteer**, BroadBand Expo 2026 (Experience Zone), by ISPAB
- **Organizer**, AIUB Cyber Gaming Fest 2025, by AIUB Computer Club
- **Volunteer**, BIOBUILD Family Day 2025
- **Participant**, University Activation Programme 2025, by ICT Division Bangladesh
- **Participant**, YUNet International Youth Upskill Summit 2025, by YUNet International
- **Volunteer**, vTutor MOS Bangladesh Championship 2025
- **Volunteer**, National STEAM Olympiad 2024
- **Volunteer**, AIUB CS Fest 2024, by AIUB Computer Club
- **Volunteer**, AIUB Programming Contest 2024
- **Completed**, Enhance Your Leadership Session, organized by Rotary Club (Rotaract Club of Ramna)
- **Completed**, Graphic Design Free Workshop 2023, by UY LAB Institute
- **Volunteer**, AIUB Science Poster Contest 2022

EDUCATION

Bachelor of Computer Science & Engineering Ongoing American International University-Bangladesh (AIUB)	Sept. 2022 - (Ongoing)
Higher Secondary Certificate (HSC) – Science GPA: 5.00 (Out of 5.00) Al-Amin Academy School & College, Chandpur	Jul. 2019 – Dec. 2021
Secondary School Certificate (SSC) – Science GPA: 5.00 (Out of 5.00) Al-Amin Academy School & College, Chandpur	Jan. 2017 – Mar. 2019

COURSE & TRAINING

IT Essentials — CISCO Networking Academy (Issued Feb. 2023)

PROJECTS & RESEARCH

Research on Automated Eye Disease Detection Using Machine Learning Algorithms

May. 2026 - (Ongoing)

Research on AI-Assisted Comparative Analysis of Scrum and No-Method Software Development

April. 2026 - (Ongoing)

Research on Secured Entry Intelligent RFID-Based Door Locking System Ensuring Women's Safety

Jan. 2026 - (Ongoing)

Project: Retail Sales & Profit Analysis

Apr. 2026 - May. 2026

Developed a Python-based sales analysis project using Pandas, NumPy, and Matplotlib to evaluate retail sales, profit trends, and product performance through data visualization.

Project: Project Management Tool – JIRA

Mar. 2026 - Apr. 2026

Managed software development workflows using Jira for task tracking, sprint planning, bug reporting, and team collaboration in Agile-based projects.

Project: To-Do Manager (Desktop App)

Mar. 2026 - Apr. 2026

Developed a Python desktop application for managing tasks with priorities, due dates, and persistent data storage using JSON.

Project: Weather App

Feb. 2026 - Mar. 2026

Developed a real-time weather application displaying temperature, humidity, and weather conditions with auto-location detection.

Computer Graphics Project: The Padma Bridge (2D Model)

Aug. 2025 - Sept. 2025

Designed a 2D computer graphics model showcasing the structural design of Padma Bridge using graphics concepts.

Project: Car Rental System

Jan. 2025 - Feb. 2025

Built a management system for booking, tracking, and handling rental cars, customers, and availability records.

Project: Banking System

Jan. 2025 - Feb. 2025

Created a banking application that manages account creation, deposits, withdrawals, and transaction history using OOP principles.

Project: Super Shop Management System

Aug. 2024 - Sept. 2024

Created a comprehensive system for inventory, billing, and customer management using SQL and C#.

SKILLS

Programming Languages: C, C++, Java, Python, JavaScript, PHP, HTML, CSS, MATLAB

Computer Skills: MS Word, MS Excel, MS PowerPoint, Photoshop, Google Workspace, Canva

Technical Tools: Git, Visual Studio, SQL Server, Oracle, Codeblocks, Notepad++, Jira

Soft Skills: Leadership, Organizational Management, Event Coordination, Communication Skills, Teamwork, Customer Management

LANGUAGES

Bangla (Fluent) || **English** (Fluent) || **Hindi** (Intermediate)
